New Orleans, "The Big Easy", is a city with which visitors have always had a special love affair. It's Creole cuisine, Jazzy sounds, endless lazy afternoons and wild electrifying nights will take you under its bewitching spell.

Maison DuBois will equally beckon and entice you in a refreshing and casual atmosphere without sacrificing any of the elegance and decadence which is New Orleans. Beautiful and enchanting, lively but invitingly restful, this bed and breakfast located steps from the French Quarter is but a small part of an ambience unmistakably New Orleans!
